In the Lands Between, a continent filled with mystery and magic, there are certain small islands scattered across the sea. The islands are connected by a very large and mysterious continent, the “Lands Between,” which is a level of existence parallel to this world. Ancient and lost tribes live there, and its name is derived from the fact that the Lands Between was once an ancient land in the world of man. The gameplay of Elden Ring Cracked Version is structured from a web of connections with the Lands Between, where your movement is freely possible. However, within the Lands Between, you can freely travel to the safe island of Revelation, where you can enjoy the freedom of action and exploration. The Lands Between are rich with The Elden, creatures of pure white magic, whose powers have yet to be revealed. An even more wonderful gift for those of good deeds are the Elden Rings, which can grant the wearer of a perfect power to wield the gods' Elden Rings, granting extraordinary effects to the wearer and to the place where the Rings are worn. However, the world of the Elden Rings is corrupted by immense demons, vicious monsters which threaten the harmony of the Elden Rings. It is up to the player to make a choice and become a hero, battle the horrors of the world with the powerful Elden Rings and become an Elden Lord, who wields the power of the gods and exemplifies a shining example of good in the Land Between. Story: As a first-time Elden Lord, the story begins with your preparations. You are just a Normal guy named Tarnished, one day you were born in a normal city surrounded by a forest in the normal world. When you were taken to the Elden Ring, you were told to go to the Elden Lord's Ceremony, the place where the person who will wear the power of the Elden Rings to fulfill the Elden Lordship, would be crowned. In the ceremony, you were told that a messenger from the Elden Ring would personally lead you to the Elden Lord. You headed to the Elden Lord's Ceremony, with uncertainty whether you will be able to claim the power of the Elden Rings, the power that you were told you would wield. As you reached the Royal Palace of the Elden Lord and met with the Elden Ring messenger, the messenger explained about the power of the Elden Rings and how it is corrupted by the Fiends, and how you will become an Elden Lord in order to face the Fiends. If the situation was close to your expectation, you would have been given the Elden Rings at that time
