One of the most important improvements to gameplay this year comes in the form of the "Dynamic Transfer System", which allows you to change your club, style and formation preferences at any time throughout your FIFA career, and see immediate results. Now clubs will battle with more opponents, and new rivalries, national teams and coaches will enter the fray on the pitch. You can now take on your friends and colleagues in Open Match, test your skills against club teams, and challenge yourself by mastering the new "My Team" mode. New and improved player attributes improve the overall balance of gameplay. New player ratings, chemistry between teammates, defender movement awareness and improvements to player movement all combine to create a balanced, more tactical and enjoyable FIFA experience. A brand new story campaign, narrated by Oscar-winner Javier Bardem, brings a new element of story and controversy to the FIFA series. Take on the opposition in new stadiums and match the best moves against best players in the latest updates to the Frostbite engine. There is even more to see when you turn up to Fifa 22 Free Download gameplay. Watch the game's E3 2012 trailer featuring Ronaldo and Rooney. In this edition of our FIFA Ultimate Team Talk, we chat with the reigning CONCACAF Champions League champion Monterrey as we answer fans' questions, pick cards and try out each team's Ultimate Team. Who are you? My name is Evan. I am the Lead Community Manager for FIFA 19 and FIFA 20. I also handle most of our support on Twitter, Discord, and Facebook. Outside of work I am the youngest of my siblings, with one older brother and three older sisters. What is your favourite team? I am not a fan of one particular team. I do enjoy the Galaxy in MLS or the Manchester United in the English Premier League. I don't know if either has changed much over time, but it seems to work for me. How did you get into FIFA? I played soccer at a high level growing up with my brother and his friends. My brother would play on the PS3 and I would play on the X-Box. Then we would play against each other on the PC or PS3 after I would wake up from my deep slumber in the morning. When I grew up, my family began to notice how much I enjoyed the sports games and that I would play basketball, volleyball and baseball after football. My parents decided to buy me my first DS so I could play football games, like a real man. What is your favourite team to play as? This is easy. I love playing as the Rekord zuverlässiger Bayern München. I am a Bayern Munich supporter. I have been since I was born and I follow their matches every week. At the beginning of the 2016-2017 season I managed to buy myself a team for the EA SPORTS FIFA 17 Community Cup. I took a team that was performing really bc9d6d6daa
