Intelligence dynamically adapts the game match-play to create a balanced and balanced game. The game adapts depending on the actions and styles used by the player. "The team demonstrated a level of innovation and creativity at the FIFA Interactive World Cup that no other team could have approached," said FIFA Executive Vice President and Managing Director, Kia Joorabchian. "This was undoubtedly the most tense, high intensity, action-packed and technically challenging tournament to date, and the team showed incredible skill, passion and determination. Their outstanding athleticism and teamwork was both inspiring to watch and the perfect blend of skill and speed that we know our fans will love to play. We're delighted to reveal that the winners have won the right to represent CONCACAF at the FIFA Interactive World Cup Finals in the USA and we're looking forward to watching them represent the region on the world stage." The four teams that have won their qualifying competition to compete at the FIFA Interactive World Cup Finals in the USA have been announced: The locations of the FIFA Interactive World Cup Finals in the USA will be announced in the coming months. Joorabchian said: "We've worked closely with the teams that participated in the FIFA Interactive World Cup and each of the winners has something different to offer our fans. We can't wait to see them perform in front of the world. The FIFA Interactive World Cup Finals in the USA is one of the biggest sporting events in the world so we're confident that our teams will bring their A-game. They'll represent CONCACAF in style and we're sure that the fans will be thrilled to see them on their home turf. The FIFA Interactive World Cup is a celebration of football and we're excited to see how our teams continue to impress on the world stage." FIFA Interactive World Cup Finals The FIFA Interactive World Cup Finals will be hosted in three locations from June to July. The locations will be announced in the coming months. At the FIFA Interactive World Cup Finals, the four winners will come face-to-face with the FIFA Interactive World Cup Champions, the team who best represents the World of FIFA. All competition results from the FIFA Interactive World Cup, including the

## **Features Key:**

- EA Sports' all-new "HyperMotion Tech" makes gameplay come to life! Advanced physics algorithms use all the available data from a real-life football match and let you feel the intensity.
- Dynamic Player AI! The EA SPORTS Player Impact Engine now dynamically analyzes the player's actions on the ball and applies your impact indicators whenever you touch the ball or make a pass.
- Reveal options: Manipulate the ball with new Shoot-backs, and Customize your "Precision

---

Shots” with 20 cross-feed and pinpoint accuracy. Quickly pull off challenging shots from tricky distances with the best shot creation system yet.

- Players run faster than ever before! Advanced Player Movement, collision detection, and Player Trajectory algorithms are designed to accurately analyze the speed and movement of players and make them play faster than ever before.
- Introducing a Player Development System: Looking ahead to the future, this new mode enables you to control and evaluate any player’s development – for any role-playing setup. Discover and Unlock hundreds of players in your Team of the future before you’re ready. Manage transfers, unlock potential in The Journey, and continue your player’s development after the career mode has finished.
- Choose your free kick strategy: Distinct to your forward and defense roles, take it easy with “Flinched” shots under pressure or capitalize with volleys and pin-point accuracy “Schick” shots.
- FIFA 22 introduces a new combat mechanic called “Confrontations.” Push your opponents off your ball in 2v2 matches to create a free kick situation, or send out your wingers and strikers early to target the space and create open play. "

The game's most popular mode returns in FIFA 22! Ultimate Team gives you the chance to craft your own Pro with unique and customizable players, transfers and more. Plus, with an all-new system, you'll be able to bring your roster's key performance indicators (KPIs) into your game to better optimize your gameplay and increase the value of your Pro. The item-based format also gives you the ability to instantly re-evaluate players that are aging, leaving you more options for trade and formulating your squad. Head-to-Head Seasons - For the first time ever, the big-time has come to FIFA! Thanks to Head-to-Head Seasons, you can test your skills against your friends and rivals on a weekly basis in a variety of leagues. Think you're better than your mates? Then take part in a weekly bracket system where you'll compete against them in a series of knockout matches. Or, if you fancy a bit of private competition between two select teams, create your own opponents and challenge them one-on-one in a unique 5v5 match. Head-to-Head Seasons also allows you to build and share a bespoke league with your friends or share a league with the entire world! FIFA Ultimate League - FIFA Ultimate League returns in FIFA 22, bringing the atmosphere of the world's biggest club competitions in the heart of FIFA's Franchise Mode. Choose any club, from any league in the world, and experience the full breadth of your club's history, from our historic debut in England all the way through to our new and improved 'Living the Dream' story mode, featuring new Juventus Stadium and more. FIFA Ultimate League is a new way to connect with other fans around the world, whether you're playing with friends in your own game or coordinating a live broadcast of your favorite club. MyClub Leagues - FIFA 22 introduces FIFA's most comprehensive and authentic club mode in history. MyClub, formerly the official game mode of PES, is back in FIFA where each of the world's biggest clubs, including Liverpool FC, Real
